The Civilized K-9 - Advanced Obedience Training

7 sessions course, 1 hour per session

This advanced-level class is for people who want to increase their dogs' obedience skill level and overall training. For graduates of Basic Obedience & Good Manners II, you'll strengthen your skills as a trainer and improve the reliability of behaviors previously learned.

Your dog will learn to listen and respond despite distractions. You will send your dog into play and recall him out. He will learn remote sits & downs along with emergency downs. We'll teach you how to polish your dog's stays and recalls with distraction and work towards off leash heeling--in fact, the entire class will be off-leash! We're cutting the cord!
The first class is orientation, so we meet without the dogs. Think about the first day of school and all of the material that needs to be addressed before the curriculum begins--it's the same for dog training classes!
