## Agility Testimonials

"I have been taking classes and attending clinics with Bobbie for the past few years. Her approach to teaching agility skills and positive reinforcement for both dog and handler, has encouraged confidence in both my dogs and myself. She has helped me advance my Master agility dog, as well as my Novice dog and new puppy. Her instruction has shown me how to make sense of this agility game so that my dogs and I can truly work as a team. More importantly, we are having fun!"

"My youngest dog is a dog that needed something to do. Dogs don't do ballet or soccer so I signed her up for beginning agility classes with Bobbie almost two years ago. We haven't stopped since. Sophie Agnes LOVES her classes. Bobbie knows how to break down the exercises so that novice handlers and dogs can participate, learn and have a great time. I don't think you'll ever see us on T.V. or even YouTube " but don't tell Sophie Agnes that!!"

"Bobbie knows her agility! I know I am getting a true representation of the whole Say Yes! training system when I train with Bobbie, from the foundation up. She has a deep understanding of the philosophy behind each move, doesn't cut corners and won't allow sloppy handling. Bobbie really spends time with each handler-dog team, meeting them on their level. She is able to help novice dogs/handlers work through new skills by breaking them down, as well as challenge the more experienced team to be the best they can be."
